

April 9, 1975

SPEAKER: I would like to make a comment at this time. We are getting a lot of bills for Monday and Tuesday and I am afraid it will be impossible to process all those bills unless you have some later date than that.

CLERK: He has it for the 16th.

SPEAKER: OK. Fine. LB 253.

CLERK: LB 253 introduced by the Public Health and Welfare Committee and signed by the members thereof. Read title. There are no Committee amendments or other amendments pending.

SPEAKER: What is this, Committee amendments, Vince? Senator Kennedy. Is Senator Kennedy available. Would you explain LB 253, Senator Kennedy.

SENATOR KENNEDY: Mr. President and fellow members, I would ask that LB 253 be advanced from General File to E & R. There are no Committee amendments. The bill only does one thing. It gives the Drug Department an opportunity to have unmarked cars in their investigation. In small communities, particularly, those marked cars are noticeable and they cannot do as good a job so they are asking for only that privilege. I would move for LB 253 to be advanced from General File to E & R.

SPEAKER: Any other discussion on LB 253. Seeing none, the question is, shall LB 253 be advanced to E & R for Initial? Senator Warner, pardon me. I didn't see your button. Did you want to talk? The question is, shall the bill be advanced to E & R for enrollment? Have you all voted? The question is, shall LB 253 be advanced to E & R for Initial. Have you all voted? The Clerk will record.

CLERK: 25 ayes, 0 nays.

SPEAKER: LB 114.

CLERK: Asks unanimous consent to pass over 114 and 115 and print amendments in the Journal.

SPEAKER: Any objection. So ordered. Senator Warner.

SENATOR WARNER: What the request says, the amendments are being written and I was asking to have them passed over so I can have them filed with the Clerk and then have them printed in the Journal. It may take me a day or two before I get them. I don't have them at your desk yet, Mr. Clerk.

SPEAKER: Thank you, sir. LB 313.

CLERK: LB 313 introduced by Senator Cavanaugh of the 19th District. Read title. There are no Committee amendments, Mr. President. There are amendments offered by Senator Dickinson which are set out in the Journal on Page 996.

SPEAKER: Committee amendments, sir? There are none. The Chair recognizes Senator Cavanaugh.
